

Registration Guide

Starting at the 2019 season the football association is using a new registration application called PlayFootball www.playfootball.com.au help pages <https://support.playfootball.com.au/support/home>

Before you begin registration you will need to have a recent player photo (headshot) saved on your device/pc/laptop

If you are registering for a player 18 years and under, make sure that you have a new \$100 discount Active Kids voucher <https://www.service.nsw.gov.au/transaction/apply-active-kids-voucher>

If you are registering as a volunteer, make sure that you have your Working With Children (WWC) number or have registered for a WWC if you do not have one or it has expired <https://www.service.nsw.gov.au/transaction/apply-working-children-check>

Step 1 – Create a new PlayFootball account

Log onto <https://account.footballnetwork.com.au/register> fill out the fields and click REGISTER

TIP: You can create an account as a parent. You do not need a separate account per child. You link child accounts to your new account. There is no longer a need to use the old FFA number.

Tip: if you use the same email address as used in previous years for the old MyFootballClub system, yours and/or your children's details will be retrieved automatically later in the process

Create your Football Account

Your Football Account is one account that lets you connect with all of the Football Network in Australia.
